**DOUBLE DIAMOND INTRODUCES NEW GOLF PRO AT THE
RETREAT**

*PGA Professional Robert McMillan Brings Over 20 Years of Experience to
Championship Golf Course*

DALLAS (February 26, 2007) – Double Diamond Companies, a privately held company recognized for its first-class resort properties, proudly announced the appointment of Robert McMillan as the new Golf Professional at The Retreat in Cleburne, a premier golf course community. McMillan is responsible for overseeing the golf operation along with the opening of the new 24,000 square foot clubhouse. The Retreat is a private community nestled on 2,800 scenic acres boasting 100 year old live oak trees and spectacular views just outside of the Dallas/Fort Worth Metroplex.

“Robert’s charisma and extensive golfing expertise is a definite attribute to our Property Owners and their guests at The Retreat,” said Stack Bowers, Vice President of Hospitality of Double Diamond Companies. “His knowledge of the sport is impeccable and I know that our facility will benefit from what he has to offer.”

McMillan is well qualified to execute the day-to-day golf operations at The Retreat. He most recently served as the General Manager and Director of Golf at Harbor Lakes Golf Club in Granbury, Texas.

McMillan began his golf career at the prestigious Turnberry Hotel Golf Courses in Ayrshire, Scotland as an Assistant Golf Professional. During his tenure at Turnberry, he graduated from the British PGA Business School and became a certified Class A British PGA member.

After receiving his certification, McMillan traveled to Spain and won his PGA European Tour Card and later qualified and competed in the 113th British Open at Royal Birkdale. McMillan relocated to the United States and was appointed as the Director of Instruction at The Grand Geneva Resort in Lake Geneva, WI. It was here where he was nominated by *Golf Magazine* as one of America’s “Top 100 Teachers.”

With an American PGA Business School certification and Class A membership, McMillan continues to compete in professional tournaments. Recently, he placed 3rd at the Club Professional Championship, qualifying him for the 2007 National Club Professional Championship in June.

Located 30 miles south of Fort Worth and 55 miles southwest of Dallas in the quiet town of Cleburne, The Retreat is a master-planned private community boasting several of the finest recreational activities around. Featuring one to three acre estate-sized home sites surrounded by unspoiled natural landscape, The Retreat offers spectacular views overlooking the golf course. A 24,000 square foot clubhouse, currently under construction, will offer both upscale and casual dining, complete with patio seating and men's and women's locker rooms. Other amenities at The Retreat include tennis courts, swimming pools, fitness center, driving range and hiking trails.

About Double Diamond Companies

Double Diamond Companies, which was founded in 1972, is headquartered in Dallas, Texas. A privately held company, it is comprised of a team of individuals specializing in managing, marketing, construction, and acquisition of upscale properties.

The company is recognized throughout the resort industry for their first-class resorts, challenging golf courses, numerous amenities, beautiful landscaping and visitor service orientation. They are also known for providing properties that offer an upscale and enjoyable environment for both families and conferences. Double Diamond was ranked within the top 200 fastest growing privately held companies in the Dallas/Fort Worth metroplex two years in a row by Southern Methodist University's Edwin L. Cox School of Business.

Their current portfolio consists of over 14,000 acres of land in 13 locations, including: White Bluff Resort on Lake Whitney, home of the Texas State Open from 2003 –2005 and rated 4 Stars by Golf Digest; The Cliffs Resort on Possum Kingdom Lake, rated 4 ½ Stars by Golf Digest; The Retreat in Cleburne, Texas; Eagle Rock Resort in the Blue Ridge Mountains of Pennsylvania; and the upcoming, Rock Creek Resort located on Lake Texoma.
